Non-Geographic Call Services

Non-geographic numbers are those phone numbers which are not linked to a specific location, including 08, 09, 116 and 118. Call charges are made up of two parts – a service charge and an access charge. Ogi's Standard Access Charge for NGCS calling is 6.67 pence per minute (excluding VAT), with the service charges as set by the company you are calling. Service charges can be fixed call charge, or per minute charge or mix of both and are specified below in pence per minute or pence per call, excluding VAT.
