Broadband Unreturned / Damaged / Faulty CPE Fees

Note all pricing excludes VAT

Unreturned hardware – contract end

In the event the hardware is not returned in good working order following the end of a contract period where a service is not re-contracted the fees due will be:

Per CPE	Fee + restocking
Zyxel DX3301	£25
Zyxel EX3301	£25
Zyxel WX3100	£25
Power supply	£8.50
ONT	£30

Note: the ONT should remain in the premises unless the customer specifically requests we remove it. If the ONT is not available or has been unplugged and lost, a fee of £35 will be due.

Unreturned Hardware – contract cessation

In the event the hardware is not returned in good working order following the cessation of service mid-contract the fees due will be:

Per CPE	Fee + restocking
Zyxel DX3301	£50
Zyxel EX3301	£50
Zyxel WX3100	£50
Power supply	£8.50
ONT	£30

Note: the ONT should remain in the premises unless the customer specifically requests we remove it. If the ONT is not available or has been unplugged and lost, a fee of £35 will be due.

Damaged Hardware

In the event hardware is reported as faulty however upon inspection the equipment is damaged or broken due to mis-use the replacement fees will be as follows:

CPE Type	Replacement with new item (delivered)
Zyxel DX3301	£55
Zyxel EX3301	£55
Zyxel WX3100	£55
ONT	£30
Power Supply	£8.50

Out of contract faulty router fees

In the event a customer is not in term contract and their Wi-fi router develops a fault, the cost for a replacement router may be charged to the customer as set out in the table below.

CPE Type	Replacement of faulty router with new item (delivered)
Zyxel DX3301	£55
Zyxel EX3301	£55
Zyxel WX3100	£55
ONT	£30
Power Supply	£8.50

No Fault Found – call out fee

In the event an engineer visits and there is no fault found, a charge to cover the call-out may be levied. This fee is £50.00.

Broadband Cancellation / Upgrade / Downgrade Fees

Term

All pricing is for 12, 24 or 36-month contracts. In the event a contract expires, SLAs will be suspended, there will be no financial recourse for outages, and fees may be due for faulty routers.

Post Installation cooling-off cancellation fees

If the customer decides to cancel the service during a cooling off period and the installation has already taken place, the customer will be required to pay the post installation cooling-off cancellation fee equating to the full cost of an installation of £125. The hardware would need to be returned or paid for as per the terms above.

Contract Cessation Fees

In the event a contract is cancelled mid-term (ceased), the customer will owe Ogi the whole / full months' fees of the full price core service for the remaining term of the contract. Their hardware must be returned in good condition and fully working.

Add-Ons – CPE

Additional CPE is only available to customers within a contract. If a customer wishes to add CPE during a contract term, they can, providing they are more than 3 months from the end of their contract. If less than 3 months they will need to enter into a new 12, 24 or 36 month contract.

If the additional CPE is cancelled during the term it must be returned in good condition else a charge will be levied as per terms.
