OGI JOGI JUNIOR

ogi  
Porthcawl  
10K

RUN4WALES™

On your marks for the  
Ogi Porthcawl 10K Ogi Jogis

## Introduction

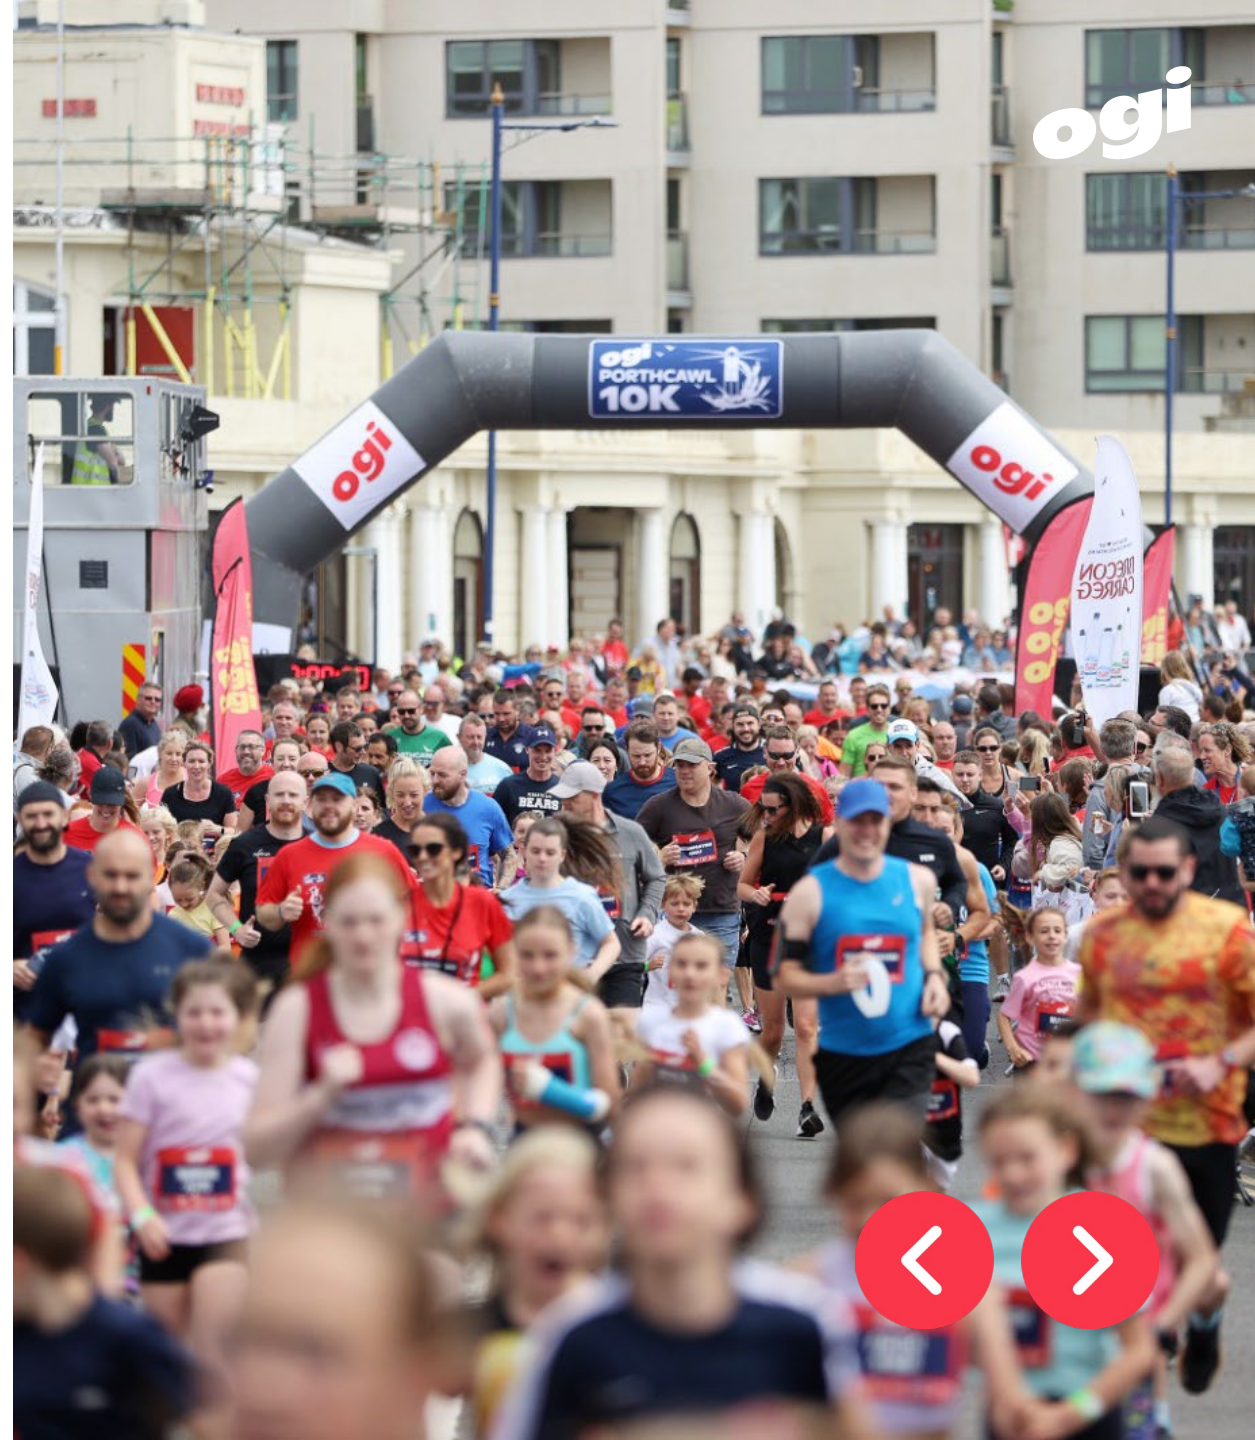

Ogi is chuffed to be the headline sponsor of the **Ogi Porthcawl 10K**, and this year we're inviting schools across south Wales to join in.

Through our **award-winning Cefnogi Fund** up to 20 south Wales schools will get everything they need to host their very own Ogi Jogi fundraising event – from race numbers to the finish line ribbon and everything in between.

And to kick start the fundraising drive, we'll even give each school the first £150 towards their sponsorship target!

\*Hurry, your school needs to be registered by 22 March 2024.

Get involved

## How to get involved

The Ogi Jogi is open to schools in [Ogi Communities](#)

- Schools need to agree to organise an Ogi Jogi event during [National School Sports Week, 17-23 June 2024](#). This can be a fun run, jog, or walk as long as it's in the spirit of the Ogi Porthcawl 10K.
- These events should include the whole school community and we encourage teachers, pupils, family members and carers to get involved.
- **A total of 20 schools will get a race pack of goodies to support their Ogi Jogi event.**

\*Hurry, your school needs to be registered by 22 March 2024.

## For a good cause

- Each school will receive £150 to support their fundraising drive
- Schools can fundraise for anything they'd like as long as it directly benefits the school community
